DELINEATOR SHEETING VARIATIONS ORDERING INSTRUCTIONS

3" HI-INTENSITY BANDS TO 4" HI-INTENSITY BANDS

1. To get purchase price for any delineator with one 4" HI reflective band in either white or orange, take price of tube with one 3" band from list above, add \$0.35 and a "-4HI" designation after stock number. For two 4" HI bands add \$0.70 each, and a "-4HI" designation after stock number. For three 4" HI bands, add \$1.05 and a "-4HI" designation after stock number.

HI-INTENSITY to DIAMOND GRADE SHEETING VARIATIONS:

1. To get purchase price for any delineator with one 3" DG reflective band in either white or orange, take price of tube with one 3" band from list above, add \$0.85 for DG Bands, then add a "-DG" designation after stock number. For one 4" DG band add \$1.45 each, then add a "-4DG" designation after stock number.

2. To get purchase price for any delineator with two 3" DG reflective band in either white or orange, take price of tube with two 3" band from list above, add \$1.70 for DG Bands, then add a "-DG" designation after stock number. For two 4" DG bands add \$2.90 each, then add a "-4DG" designation after stock number.

3. To get purchase price for any delineator with three 3" DG reflective band in either white or orange, take price of tube with three 3" band from list above, add \$2.50 for DG Bands, then add a "-DG" designation after stock number. For three 4" DG bands add \$4.35 each, then add a "-4DG" designation after stock number.

4. For Yellow (Amber) sheeting add an additional \$0.35 per Band to prices above.

HI-INTENSITY to ENGINEER GRADE SHEETING VARIATIONS:

1. To get purchase price for any delineator with one 3" EG reflective band in either white, yellow or orange, take price of tube with one 3" band from list above, deduct \$0.65 for EG Bands, then add a "-EG" designation after stock number. For one 4" EG band deduct \$0.50 each, then add a "-4EG" designation after stock number.

2. To get purchase price for any delineator with two 3" EG reflective band in either white, yellow or orange, take price of tube with two 3" band from list above, deduct \$1.30 for EG Bands, then add a "-EG" designation after stock number. For two 4" EG bands deduct \$1.05 each, then add a "-4EG" designation after stock number.

3. To get purchase price for any delineator with three 3" EG reflective band in either white, yellow or orange, take price of tube with three 3" band from list above, deduct \$1.95 for EG Bands, then add a "-EG" designation after stock number. For three 4" EG bands deduct \$1.60 each, then add a "-4EG" designation after stock number.
